

Newsletter #2 - April 2021

Editorial

With this second newsletter, we will take a closer look at the Forward program with the implementation of the Thematic working groups actions to improve the participation of the Outermost Regions in Horizon Europe calls for projects.

Forward so far enabled to have some collaborative tools in each work package such as strategic documents (joint strategy for ORs, capacitation action plans, RIS3 methodology guide, online networking events (conferences, workshops).
