

Newsletter #1 - December 2020

Editorial

We are particularly glad to present you the first Newsletter of the FORWARD consortium.

The FORWARD project – Fostering research excellence in EU Outermost Regions” is the result of the call “Mobilizing Research Excellence in EU outermost regions (OR)”, a coordination and support action (CSA) financed by the framework program Horizon 2020.

ABOUT US

Back To Forward Project Launch At La Réunion

Here’s our 24 partners of the consortium

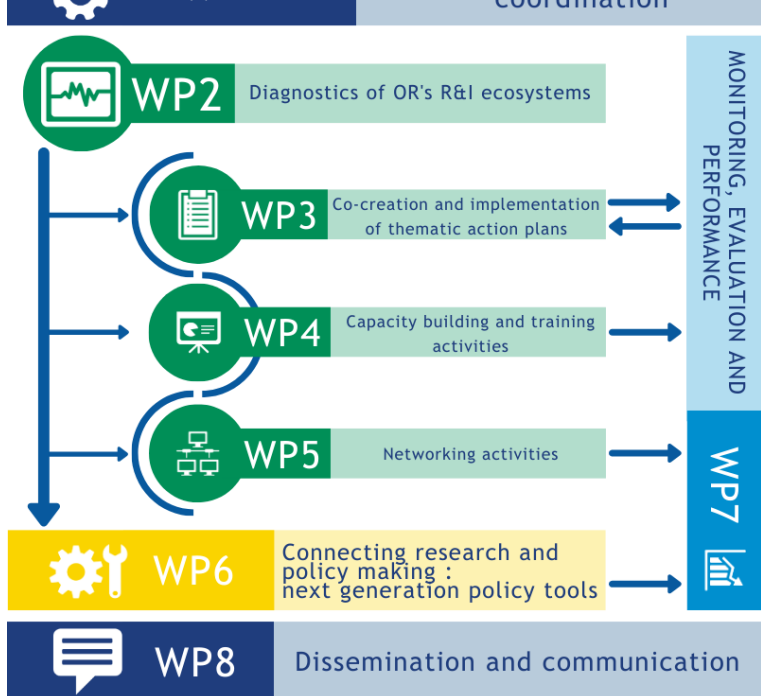

Forward Project : How Does It Work ?

The overall objective of this project is to improve the OR excellence in research and innovation, but also to strengthen their participation in EU research and innovation funded projects, and link research activities with territorial development.

[+ Read More](#)

Forward is composed of eight workpackages

Forward Life

ORs VALORISATION

Forward WP2 diagnosis : What are the main outcomes ?
Through WP2 activities, each OR performed a 360° diagnosis
[+ Read More](#)

Research and Innovation performance in ORs
ORs enjoy factual information to support the public actions
[+ Read More](#)

ORs NETWORKING

Outermost Regions’ Research and Innovation Connectivity
Outermost regions (ORs) display a heterogeneous state of connectivity
[+ Read More](#)

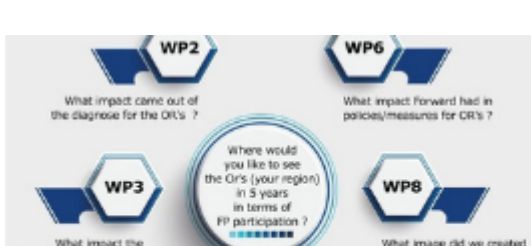

ORs INNOVATION

Building our FutORs
ORs : toward a new economic model and ORs new challenges
[+ Read More](#)

Pioneers in Renewable energy
The entire range of energy is almost covered in the outermost regions
[+ Read More](#)

ORs CAPACITATION

The joint strategy, a common vision
Synergies, Integration, Participation, three main values identified
[+ Read More](#)

ORs Synergies, integration, participation
The identification of R&I synergies between OR’s is the first step to identify a common vision under Forward.
[+ Read More](#)

This project has received funding from European Union’s Horizon 2020 research and innovation programme under grant agreement No 824550
