

WP3 THEMATIC WORKING GROUPS

TWG1 : HEALTH, APPLIED MEDICAL TECHNOLOGIES , DIAGNOSTICS AND THERAPIES

Focus on Tropical diseases and emerging diseases

Dr. Jacob Lorenzo-Morales
Director of the University Institute
of Tropical Diseases and Public
Health of the Canary Islands –
University of La Laguna

Ambition : finding funding opportunities and
support in the proposal development processes

IMPLEMENTATION OF RELEVANT TOOLS

- 1 **Submit at least one applications under the calls for the EU Horizon Europe and/or the next 4th Health programme**
- 2 **Organize at least one international thematic event**
- 3 **At least two training activities according to members' needs (assistance on proposal writing and consortia establishment, skills on EU research projects)**

INCREASE ORS INTEGRATION INTO THE EUROPEAN RESEARCH AREA

Fit TWG1 proposals in Horizon Europe Program :

- **Mainly in the Pilar 2, Cluster 1: "Health"**
- **In the Pilar 4 "Widening participation and strengthening the ERA" with the topic of "Tropical Diseases",**
- **Active partners looking for leading a consortium or joining a submission to a COST ACTION to support this research field**

1 **Foster collaboration on common thematic areas among OR's between OR's and third countries as well as continental Europe stakeholders to reach critical mass**

2 **Networking between the ORs and external actors to build consortia carried out in close cooperation with Forward WP5 leaders.**

PERSPECTIVE OF LONG TERM COOPERATION

Joint actions with other TWG for example the thematic of E-health with ICT group (TWG4) and the thematic of pathogens with TWG 7 Biodiversity group.
