

FORWARD CONSORTIUM ACTIVITIES

The 9 ORs carried out a diagnosis on their Research and innovation ecosystemes

We Know

Our strenghts and weaknesses impacting our participation to EU framework programs

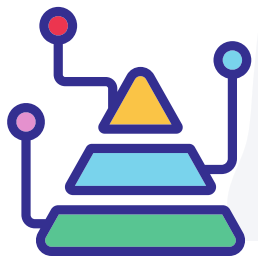

Results :
traditional handicaps do not hinder OR's participation to EU framework programs

We Built

9 regional action plans to remove obstacles to our participation in framework programs

Actions :
ORs must
-Improve their infrastructures and human resources qualifications
-Promote international network

We co created

A joint strategy

-From september to december 2019
-Mutual learning event (MLE)
-Online meetings

OR'S JOINT STRATEGY

We elaborated a joint strategy

-Transformation of the ORs' economy based on knowledge and innovation
- ORs in EU and and international networks through mobility of researchers

COMMON AMBITION

Elaboration of a joint strategy for common

VALUES

Synergies to open opportunities

Integration is the missing link (to promote OR's)

Participation to increase circulation of ideas, stimulate collaboration, promote growth of critical masses

-common objective to reach the excellence of ORs Research and Innovation ecosystems
- added value of ORs to the Research and Innovation ecosystems in Europe

VISION
